

ELKINS PEDIGREE
TO SILENCE CRITICSGenealogist May Be Sent to
Tracing Family History
by Senator.

ELKINS, W. Va., Nov. 12.—It is said here to-day that the family of Senator S. B. Elkins is considering engaging an expert genealogist to compile the Elkins family tree.

With intellectual attainments and social culture Miss Elkins's friends declare she is gifted by birthright to certainly as great a degree as the Duke of Abruzzi has inherited from his royal ancestry. To answer any comments that the Italian press may make in hesitating to approve the alliance of an American girl to a member of the royal family, the Elkins family tree, it is pointed out, will be published, creating the impression desired by both families upon Italian society and tend to show any erroneous reports that have been made as to Miss Elkins's exact social position and excellence of birth and unusually fine education.

THAW'S MOTHER NEAR HIM.

Mrs. William Thaw and her daughter Alice, daughter of Barnum, with a maid, arrived at Manhattan yesterday. They will board with Police Justice Phillips's family, about one mile from the State Hospital, where Thaw is confined, and will make daily calls on the prisoner. Samuel K. Phillips, a brother of the Police Justice, is Mrs. Thaw's local counsel.
